

CLEANAIR CANCER AWARENESS PROGRAM

Recent Recipients

- › Central F.P.D. - \$3,000
- › Ceres F.D. - \$3,000
- › Ventura County F.D. - \$3,000

■ FOCUSING ON FIREFIGHTER HEALTH

Rosenbauer's Clean Cab concepts empower forward thinking departments to invest in the health of their crews and their families. Firefighters are at 9% greater risk for cancer due to exposure of volatile organic compounds (VOC). Our solutions include the CleanAir™ in-cab air scrubber, CleanLocker™ NFPA Compliant storage facility, Rapid Deploy Light Tower and our Rapid Deploy Tray for quick access to rescue equipment.

■ DONATION, DEPARTMENT SELECTED BENEFICIARY

Department will choose the cancer charity as beneficiary.

■ TO QUALIFY FOR DONATION?

New apparatus build contracts which include the CleanAir in-cab air scrubber.

Contract must be factory accepted prior to July 1, 2020. Change orders to include a CleanAir system qualify if the c/o is made before final acceptance of apparatus.

■ RETROFITS \$500 DONATION

Retrofit any manufacturer's apparatus, including Rosenbauer with a CleanAir system, Velocity Fire Equipment & Sales will donate \$500.

■ WHEN IS THE DONATION MADE?

The donation is to be made at final delivery to fire department.
